

# Seeking Registered Owners MĀORI LAND BLOCK SECTION 2, BLOCK VII, ALTON SURVEY DISTRICT

The Trustees of the **Ahu Whenua Trust**, who administer this Māori land block, are seeking to make contact with all registered owners.

Once all, or most, owners have been identified, the Trustees will consider opportunities for the whenua to be utilised productively, in a manner that may generate income and benefits for the whānau, as was originally intended.

If you believe that you, your parents, or another whānau member may be an owner, please contact Barry Stewart at [bj.stewart@xtra.co.nz](mailto:bj.stewart@xtra.co.nz).

This is an opportunity to assist in reconnecting with and developing a significant Māori land block, which has remained idle for many decades, into a productive asset for our whānau and future generations.

Kā mihi nui,
