# INFORMATION SERVICES

## AUCKLAND – TE WAHAROA

Nau mai ki Te Waharoa o Te Kooti Whenua Māori. Ko tēnei tētahi wāhi pai ki te tuku tono, ki te whakauī rānei i te pātai.

We are the national Māori Land Court application data entry team, and we are responsible for the accurate entry of your information into the Court record. Once your application information has been entered it is then referred to the appropriate district office where the research, recommendation(s) and decision(s) will be made by the Court or a Registrar.

We are also responsible for the accurate entry of your enquiries and referral of those to the appropriate district office for a response when we are unable to respond immediately ourselves.

Our small Auckland based team delivers an information service and our staff are available to speak with customers by appointment. Please ring our office to make an appointment before travelling into the Ellerslie office. This will ensure that our staff are well prepared to respond to your needs and make the most of the time we can spend with you.

At these appointments we can assist you to fill out your application form and check those forms for completeness, give you advice on what application(s) to file for what purpose(s) and other general enquiries related to Court's services. As time permits, we may be able to offer some tips and advice on how to navigate our new technology, Pātaka Whenua.

We are unable to carry out extensive research to compose your whakapapa or to investigate the historical events and activities of a particular land block. You will need to make an application for that information or use the search tools on our new technology to do that yourself.

We do not have access to any physical records, and you will need to use Pātaka Whenua or visit a district office if that is the information you are looking for.
