

## **HĀWEA/WĀNAKA SUBSTITUTE SILNA LAND**

### **WORKING LIST OF POTENTIAL OWNERS' AS AT 31 JULY 2026**

The Māori Land Court has released an updated working list of potential owners entitled to the Hāwea/Wānaka Substitute Land (Section 2 of 5 Block XIV Lower Wānaka Survey District) under Section 15 of the Ngāi Tahu Deed of Settlement 1997.

This working list is comprised of successors to the 50 original beneficiaries who were allocated land between Lakes Hāwea and Wānaka ('The Neck') under the 'SILNA' scheme. The South Island Landless Natives Act 1906 was repealed in 1909 without those 50 people having received their SILNA land.

The working list of potential owners has been updated through applications to substitute deceased owners on the list. Succession applications are ongoing.

People on this list have been determined to be entitled successors to the original beneficiaries of the land. **If you or your whānau are on this list, please update your contact details with us to receive communications regarding the block.** If any of your whanaunga are on the list and are deceased, we invite you to make a succession application.
