At the top, a green checkmark icon is followed by the text "Congratulations your email has been verified." and "Please continue with Security details below and complete process". Below this is a text input field labeled "Username" with a red border. The field contains the placeholder text "you.can.choose.your.name".

Step 6

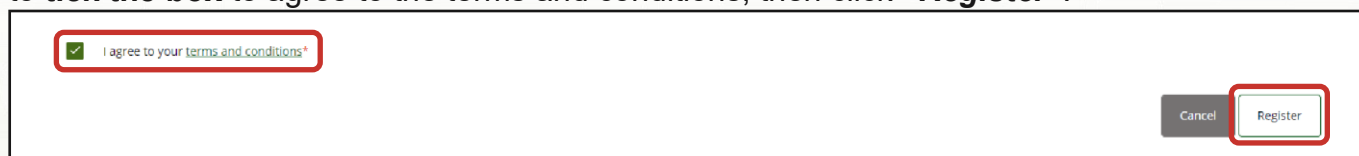

Next, fill in the **Security Details** section by selecting a question from the drop-down menu for both **Security question 1 & 2**. Type an answer for each question into the boxes provided.

A note says "Security details helps us with the process of your account". There are two dropdown menus for "Security question 1" and "Security question 2", both with "Select" as the chosen option. Below these is a checkbox labeled "I agree to your terms and conditions" which is checked. At the bottom right are "Cancel" and "Register" buttons. A red callout box with a lightbulb icon contains the text: "IMPORTANT! Make sure that you remember your username and security question answers."

Step 7

Once you are happy with your username and have answered each security question, make sure to **tick the box** to agree to the terms and conditions, then click **“Register”**.
